“BACK TO THE FUTURE!”
ACTS 2:1-13: “THE BREATH OF GOD”

On **January 25, 2023**, we continue our Bible Study series “**Back to the Future**” with a look at **Acts 2:1-13**. As the church returns from the Pandemic, we will study one of the best known miracles in the Bible, the **Breath of God at Pentecost** which resulted in the birth of the church.

Please prayerfully and carefully read **Acts Chapter 2:1-13** and answer the following questions:

1. What was Pentecost, was it a Christian festival, and when is it observed in 2023?
2. Please list the three phenomena (or miracles) that happened in **Acts 2:1-4**?
3. What is glossolalia and where is it in **Acts 2:1-13**?
4. Is the miracle at the Pentecost repeatable or did it happen once and never again?
5. What do you think they meant in **Acts 2:6-7** when they said these people are from Galilee?
6. Can you name the African countries on the list of nations in **Acts 2:9-11**?
7. What do you think those in the crowd meant when they said in **Acts 2:13**, “*They’re just drunk, that’s all!*”
