HEALTHY TIP OF THE WEEK

Help prevent the spread of COVID-19. Clean your hands often, either with soap and water for 20 seconds or a hand sanitizer that contains at least 60% alcohol. Avoid close contact with people who are sick. Practice social distancing and stay 6 feet away from the person in front and behind you. Cover your mouth and nose with a cloth cover when around others. Cover your cough or sneeze with a tissue, and then throw the tissue in the trash. Frequently clean and disinfect touched objects and surfaces daily.
